

# Dirty Sox

**Odor Neutralizer and Cleaner**

*For jobs where environmentally safe deodorizers and cleaners are demanded. Dirty Sox acts like a deodorizer to neutralize objectionable airborne odors coming from small air conditioning and refrigeration systems, humidifiers and metal filters. Dirty Sox is non-corrosive, biodegradable and safe on all metal surfaces. Dirty Sox leaves a long-lasting, active odor neutralizer that is unmatched in the market today. Dirty Sox also will clean away dirt, grime and oily build-up.*

- *Eliminates unwanted odors for extended periods*
- *Non-corrosive, biodegradable and safe on all metal surfaces*
- *Cleans away dirt, grime and oily build-up*
- *Spray once a season*

**Stock No. 90-655**

*Available in a 14 oz. aerosol spray can or a gallon container.*
